

Fall Waterways Cleanup

Exhibitor Registration Form

Again this year the Clean Valley Council and the Upper Roanoke River Roundtable have joined forces with City of Roanoke, Roanoke County, Botetourt County, Town of Vinton and City of Salem to dedicate a day to cleaning trash out of the waterways in our area. On the morning of **Saturday, October 1, 2011** teams will fan out to pick up all sorts of litter, old tires and mattresses from along the Roanoke River and its feeder streams. To select a site for your team or to join an existing team, register online at: www.cleanvalley.org at least two weeks in advance. The cleanup starts at 8:30 and ends around Noon. Check the website for more detailed information. Trash bags provided.

After the cleanup, we will join with Roanoke Natural Foods Co-Op and local governments and environmental groups to host a picnic in Wasena Park from 11:30 am until 2pm as a 'thank you' to our volunteers. We'll have food, cold drinks, music and special guest to show our appreciation. We would like to have other environmental or water-related groups set up tables or displays showcasing your own work protecting our precious environment. There is no charge to participate but you must pre-register. Complete and return this form by mail or fax it to the address below before September 22 to reserve space for your group. You can copy this form and pass it along to other groups you know as well.

The Exhibitor display hours are from 11am to 2 pm with set up starting at 10:30 am at the picnic shelter in Wasena Park. You can bring your own table or tent or request us to provide one, subject to availability. We welcome exhibitors that have an environmental theme but reserve the right to reject any group that we believe does not contribute to a positive public information purpose. **If you have questions or need more information, call Bill Modica at 540-387-2782. Send your form in by Fax: 540-345-5396 or by mail to: BREN, 1546 Creek Lane, Salem, VA 24153.**
