B. Guide to Roanoke Area Green Building Products

Product Information*
very low formaldehyde emissions
0 VOC stains and glue
100% raw wool is chemical free. Very low VOC ratings.
Modular tiles using R'd content backing & cushion, buy back sys.
Wool, sisal, jute, seagrass carpets made from natural materials
Wool carpeting & adhesive is 100% biodegradable. No chemicals used.
carpet tile system, fiber & backing recyclable, Family Tree 11% R'd
life time warranty, 20% PC, 19% PI, 12% BB materials, no VOC adh's
life time warranty, 20% PC, 19% PI, 12% BB materials, no VOC adh's
life time warranty, 20% PC, 19% PI, 12% BB materials, no VOC adh's

plastic (some R'd) & wood fiber, no leaching
plastic (some R'd) & wood fiber, no leaching
48% recycled plastic & 52% recycled wood products
48% recycled plastic & 52% recycled wood products
50% R'd HDPE plastic, 50% R'd sawdust
testing for house leakage and energy efficiency
50% R'd HDPE plastic, 50% R'd sawdust
organic products reduce health risks and build healthy soil
organic products reduce health risks and build healthy soil
organic products reduce health risks and build healthy soil
organic products reduce health risks and build healthy soil
organic products reduce health risks and build healthy soil
organic fertilizers, soil amendments and pest management substances
outstanding fertilizer
Design and installation of geothermal systems
Design and installation of geothermal systems
Installing geothermal heat pumps since 1993
Light weight vegetated roof system w/water retention, European technology
Vegetated roofing system
R'd rubber tires, non-toxic, long lasting, made in Cleveland, OH
R'd rubber tires, non-toxic, long lasting, made in Cleveland, OH
R'd rubber tires, non-toxic, long lasting, made in Cleveland, OH
R'd rubber tires, non-toxic, long lasting, made in Cleveland, OH
100% R'd paper on face & back, natural gypsum
95% R'd materials, strong and durable, natural gypsum
100% R'd paper on face & back
100% R'd paper on face & back
From plantation-grown palm trees no longer producing coconuts. No VOCs.
From well-managed forests, sustainably harvested logs, kiln dried
Wood harvested using environmental and social responsible methods

*BB = Bio-Based Materials
 *LID = Low Impact Development

*PC = Post Consumer Materials
 *PI = Post Industrial Materials
 *R'd = Recycled Materials
 *VOC = Volatile Organic Compound

B. Guide to Roanoke Area Green Building Products

Product Information*
From well-managed forests, sustainably harvested logs, kiln dried
Wood harvested using environmental and social responsible methods
From PI R'd denim & other cotton trimmings. No mineral fibers. Recyclable.
contains R'd glass; Greenguard certified for low emissions, energy efficient
contains R'd glass; Greenguard certified for low emissions, energy efficient
contains 80% R'd paper; nontoxic; high efficiency; fire resistant
contains 80% R'd paper; nontoxic; high efficiency; fire resistant
high reflectivity, non toxic, non carcinogenic, many uses
high reflectivity, non toxic, non carcinogenic, many uses
high reflectivity, non toxic, non carcinogenic, many uses
30% R'd glass (4% PC and 26% PI)
formaldehyde free, 20% R'd glass, high insulation values, less dust, min. smell
formaldehyde free, 20% R'd glass, high insulation values, less dust, min. smell
formaldehyde free, 20% R'd glass, high insulation values, less dust, min. smell
formaldehyde free, 20% PC & 5% PI R'd glass, high insulation values
50% R'd HDPE plastic, 50% R'd sawdust
50% R'd HDPE plastic, 50% R'd sawdust
50% R'd HDPE plastic, 50% R'd sawdust
100% r'd rubber mats, prevents weeds around trees, water passes thru
100% r'd rubber mats, prevents weeds around trees, water passes thru
100% r'd rubber mats, prevents weeds around trees, water passes thru
Organics & Harmony products used whenever possible
Environmentally responsible landscaping
Environmentally responsible landscaping
Environmentally responsible, quality landscape solutions
a natural product made from linseed oil, wood flour, rosin, jute and limestone
a natural product made from linseed oil, wood flour, rosin, jute and limestone
contains natural raw & R'd materials, low emittance, renewable
contains natural raw & R'd materials, low emittance, renewable
contains natural raw & R'd materials, low emittance, renewable

 *LID = Low Impact Development

*PC = Post Consumer Materials
 *PI = Post Industrial Materials
 *R'd = Recycled Materials
 *VOC = Volatile Organic Compound

B. Guide to Roanoke Area Green Building Products

Product Information*
low toxic raw materials derived from natural plants and minerals
0 VOC paints, low odor, silica free, 3 finishes, primer
Water based interior finish, low VOC, nonflammable, nontoxic
Water based interior finish, low VOC, nonflammable, nontoxic
fiberboard panels made w/straw particles & formaldehyde-free binders
fiberboard panels made w/straw particles & formaldehyde-free binders
a breathable, moisture regulating wall treatment
Recycled PVC interlocking tiles, 100% recovered material, 20% PC??
Recycled wood & plastic composition, nontoxic & e-friendly
Recycled wood & plastic composition, nontoxic & e-friendly
Recycled wood & plastic composition, nontoxic & e-friendly
48% recycled plastic & 52% recycled wood products
Concrete pavement w/great strength & water absorbtion abilities
Concrete & aggregate pervious blocks 4"h x 16"w x 24"l, made in Lynchburg
Cement & aggregate product reduces water retention & bank erosion
Strong, below surface paving technology made from 100% PC plastic
Eliminates gravel drawbacks, made from 100% PC plastic, prevents ruts
From well-managed forests, sustainably harvested logs, kiln dried
Rainwater capture and filtering for household uses
Water-efficient system for yard irrigation
timber harvested from old warehouses, barns, etc., also forest fire areas
100% R'd indus rubber & plastic shingles, 50 year limited warranty US made
100% R'd indus rubber & plastic shingles, 50 year limited warranty US made
100% R'd indus rubber & plastic shingles, 50 year limited warranty US made
Made from wood fiber, cement (90%), sand and water
Organic felt base saturated with water resistant asphalt shingles, 25 yr. warr.
Slate shingles from Buckingham Co., 100 yr. limited warranty
Slate shingles from Buckingham Co., 100 yr. limited warranty
The only single-ply membrane Energy Star Rated, 85% reflectivity, long lasting
Heat weldable, solar-reflective roofing meets fire codes w/out fire retardants
Nonhalogenated TPO membrane, no solvents or adhesives required
100% PC rubber

*BB = Bio-Based Materials
 *LID = Low Impact Development

*PC = Post Consumer Materials
 *PI = Post Industrial Materials
 *R'd = Recycled Materials
 *VOC = Volatile Organic Compound

B. Guide to Roanoke Area Green Building Products

Product Information*
Formaldehyde-free adhesive, primarily of soy flour; strong, cost competitive
VOC free sealant, cleans up with water, mold & mildew resistant, long lasting
VOC free sealant, cleans up with water, mold & mildew resistant, long lasting
Water-based acrylic latex sealant with VOC content from 49-70 g/l
.....
Primarily formaldehyde-free MDI resin, 50 year warranty
CFP is converting its plywood to formaldehyde-free glue made w/soy flour
.....
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber, cement (90%), sand and water
Made from wood fiber & cement, durable, 50 year limited warranty
.....
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
Low e2 coatings; Energy Star approved
.....
Solar collectors meet or exceed all state and federal codes, highly efficient
Superior light diffusion of cover enhances solar rays & cuts energy use by 70%
Drastically reduces or eliminates pool heating bills using pool solar panels
.....
Rainbarrels, below & above ground water filtration systems, roof washers etc.
LID & bioretention technologies for natural stormwater filtration systems
.....
High energy efficiency w/EPS cores & OSB skins; contact manufacturer directly
EPS foam cores laminated between OSB sheathing, high energy efficiency
EPS bonded to a light gauge galvanized steel frame, Energy Star rated, durable
.....
made from chicken manure & leaves (if leaves available)
made from leaves & quarry dust
.....
Made w/straw particles & formaldehyde-free resins
